CANDIDATE'S STATEMENT

My Priorities and Vision

It has been an honor to serve on the Lake Oswego City Council, and I'm excited to ask for your support as our next Mayor.

When my husband, Michael, and I talk about the future we want for our daughter, Georgia – we think about raising her in a city with excellent schools, safe streets, a healthy environment and a strong sense of community.

In my time on the council, I have led on important issues to improve our quality of life – from protecting open space and the unique character of our neighborhoods to prioritizing funding for transit improvements and family friendly parks.

As your mayor, I won't back down to development special interests and will always put our community livability first.
