## WITH NEW LEADERSHIP, WE CAN CHANGE CITY HALL

"Julia's policy expertise and her collaborative approach are key reasons why she has my endorsement." -Jo Ann Hardesty, **Portland City Commissioner**

"Considering the public health crisis we're facing, it's more important than ever that we elect leaders like Julia, who have a proven commitment to working with impacted communities to solve problems; rethinking systems that perpetuate inequality; and taking action to support our public schools, workers, and public services." -**Suzanne Cohen, President, Portland Association of Teachers**

Throughout my career, I've brought together diverse coalitions to create progressive change—including the victorious fight to stop Nestlé from bottling our public water!

### My Bold, Community-Focused Vision:

- **Permanently affordable housing for low income residents and seniors on fixed incomes**
- **Supportive housing for chronically houseless people struggling with mental health or addiction**
- **More equitable distribution of transportation dollars**
- **Increase investments in community centers so everyone can rely on vital services, like affordable childcare**
- **Rebuild trust between police and residents and improve police accountability**
- **Affordable municipal broadband internet for all**
- **No corporate campaign cash**
- **Support a strong, unionized, local workforce**

### Democratize City Council

Creating geographic City Council districts means we'd elect people who represent every part of our city—allowing elected officials to prioritize legislation and constituency services that benefit Portlanders, rather than the day-to-day management of bureaus. I will support a community-led process to address this systemic lack of representation.
