

Justice Fellowship Information Sessions

Are you passionate about making the criminal justice system more equitable? The Local Public Safety Coordinating Council (LPSCC) invites individuals with lived experience in the criminal justice system to learn about the transformative opportunities offered by the Justice Fellowship program. In this four-month endeavor, participants will gain an understanding of the criminal justice system, acquire practical skills, and connect with fellow learners and influential leaders.

- Individuals with lived criminal justice experience are especially encouraged to apply.
- A \$1000 stipend per month is provided for the entire program duration.
