

We want to help you thrive – in mind, body, and spirit. To help you achieve total health, some of our medical plans include self-referred alternative care benefits. Benefits may include services such as chiropractic care, acupuncture, and/or massage therapy. All of our plans include naturopathic medicine.¹

4 steps to get started

1. No referral is required. Choose your alternative care provider at chpgroup.com² or by calling 1-800-449-9479.

You can choose from qualified and credentialed complementary and alternative medicine providers throughout our service area.² To be covered by your benefit, you must receive care from a provider in our service area who is part of the CHP Group network.² Please note that the provider list is subject to change. If you do not have internet access, please call Member Services at **1-800-813-2000** (TTY **711**) for a printed copy of alternative care providers.

2. Schedule your appointment.

Call the provider you select to schedule an appointment. When you schedule your appointment, make sure to confirm your provider's participation before receiving care.²

3. Determine the amount you will pay.

We want to help you be informed of any out-of-pocket costs. Please see your Benefit Summary and *EOC* for details. The amount you pay for visits to alternative care providers varies by plan and type of service.

4. If you have questions, we are here to help.

Member Services is your one-stop resource for answers. Call us at **1-800-813-2000**, Monday through Friday, 8 a.m. to 6 p.m. For TTY, call **711**. For language interpretation services, call **1-800-324-8010**.

¹Refer to your *Evidence of Coverage (EOC)* to see if your plan includes self-referred alternative care benefits; and to learn about coverage details, such as cost shares, visit limits, and exclusions or limitations.

² The CHP Group is the alternative care provider network for most products. This does not apply to all Choice Product plans. Visit kp.org/choiceproducts/nw to see which provider networks apply to your Choice plan.
