Our region has grown tremendously and will continue to grow steadily. We have the opportunity now to preserve the best of our region, while building a prosperous, sustainable, and equitable future for all. And it's going to take the strategic, long-range planning skills I have to achieve this vision.

With your vote, I will:

Fight for increased affordable housing to reduce homelessness and ensure people can live in the same community they work. We must stop pushing people out, and we need thousands of affordable homes to fix this problem.

Work for accessible, efficient and clean transportation options so we can spend more time with family and friends, and less time sitting in traffic. This means improved transit reliability, with electric bus investments, youth passes, and safer pathways that connect communities and address underserved populations.

Demand environmental stewardship to preserve our clean air and water, forests, parks and open spaces for generations to come. I'll continue my work in expanding access for all people to enjoy our parks and trails, waterways and quiet places. I've worked with Metro to address equity and access in our region, and will build upon this commitment to our people, climate, and communities.

Proudly endorsed by Teamsters Local 37 and other advocates for working families, affordable housing, equity and justice leaders, Metro Councilor Shirley Craddick, Kathryn Harrington, Washington County Chair and Former Metro Councilor, and many more! See the full list at VoteForKarenSpencer.com.
