Government Experience- None

Corbett Oregon has been a home for me, weekends and summers, since 1964. I moved my family here full-time in 2000 and since then I have been an active part of the Corbett Community. Volunteering at numerous local functions, working with neighbors and friends, and attending years worth of school board meetings has kept me informed and involved with this community's concerns. With a daughter headed into her junior year at Corbett High School, a son who attended Corbett and has returned to coach High School Basketball, and a husband who has always supported my interest in doing more, I am now motivated to seek a position on the School Board.

My plan is to utilize my abundant energy to move our community's school district further along the path of honest, sound business practices to ensure a solid foundation for Corbett to continue to be in a position to educate our students. My priority is to work hard to enable the school district to provide the best education for our children while operating with transparent fiscal integrity and open, honest communications with all concerned.

I am excited to have another chance to serve and look forward to learning even more about our educational system and then sharing my experiences and knowledge with you.

I urge you to vote and give me a place on the Corbett School Board then continue to support my efforts by talking with me and joining me at a meeting or two sometime.

Thank you for your consideration.
