CANDIDATE STATEMENT

Community Involvement: Youth Soccer Coach & Union Organizer

I am deeply invested in this community, and want to ensure a bright future for all of our residents. Having started a business, which is now a successful nonprofit academy, I know what it takes to be both an administrator and a strong leader.

My focus for Lake Oswego:

Affordable housing – I will work to ensure every person who grows up here can afford to live here, ensure residents can age in place, and ensure people who work in our community afford live here.

Public education - I will work to ensure that our children can attend the best public schools.

Infrastructure – I will work to ensure residents can enjoy biking and physical activities safely with sound investments in expanding our infrastructure.

Economic development – I will work to support our existing small businesses and to bring new businesses to Lake Oswego.

I've walked our neighborhoods since August listening to your concerns and ideas. Let's be an example to other cities in the great state of Oregon of how to promote civic engagement, a community of caring, and social advocacy.
