Formatted Statement

Building a safe, accessible, and welcoming future for all.

I grew up in Lake Oswego and have been a community advocate and organizer since my time at Lakeridge High School. After college, I returned to study law and continue to serve our community.

In my role as Chair of our city's Diversity, Equity, and Inclusion Advisory Board, I've worked alongside community members during discussions, research, and decisions about housing, parks and recreation, affordability, transit, and more. As a young professional, I bring a unique viewpoint to civic conversations and decision making. I'm ready to bring this perspective and experience to our city council and build a future that will work for all of us for years to come.

I'm working toward:

Affordability and Accessibility

- Creating and supporting varied options for transit and housing
- Keeping costs of living low
- Building infrastructure that supports all community members

Safety and Longevity

- Prioritizing emergency preparedness
- Budgeting responsibly to support long term vitality
- Taking action to mitigate harm from climate change
- Planning for sustainability

A Welcoming Community

- Listening to our community
- Building support systems that help all members of our community access programs and resources
- Celebrating our diversity
