Community Success

Four years ago we came together to ensure Lake Oswego as a thriving, welcoming, safe place of belonging for all. Leading with the values of **equity, integrity and respect** I learned growing up in L.O., I listened to your voices and worked hand-in-hand with neighbors to accomplish goals that center our shared vision for a healthy future:

- Created pedestrian safety fund, building new neighborhood pathways
- Secured hundreds of units of the City's first family affordable housing
- Invested heavily in new park facilities and programs for all ages and abilities
- Enhanced public safety by sharing transparent data, funding additional officers and a behavioral health specialist
- Advanced the goals of our climate action plan, invested in natural area restoration and wildfire prevention
- Supported the first public celebrations of the many diverse cultures of our community and improved outreach to underrepresented communities
- Lead the first City partnership with our Chamber of Commerce to support our many local, small businesses

Forward We Go

I look forward to continuing to work collaboratively with our youth, seniors, parents, community groups and businesses on what matters most to us all as Oswegans. I know our community and believe in its future. Together, we'll continue creating a safe, welcoming, sustainable community where all neighbors feel at home and that future generations will be proud of.

Lake Oswego, thank you for your trust and support!
