Katherine's Vision:

I am a parent, educator, and life-long Oregonian running for Lake Oswego School Board to ensure that Lake Oswego preserves and expands its reputation as the #1 school district in Oregon. My husband Josh and I have three children in the district.

As the daughter of two public school teachers, I am grateful for Lake Oswego's outstanding K-12 public education system. My first priority is to maintain these successes, despite the projected budget shortfall. My goal will always be to improve student outcomes in our district, and I am eager to contribute my expertise in education policy to the School Board. I will ensure the Board's focus remains on maximizing student achievement through evidence-based, fiscally responsible decisions made with input from our families and community stakeholders.

Priorities

- Help our students in the Lake Oswego School District better compete on a national level
- Empower our students, parents, teachers, and community stakeholders to provide input to the Board
- Ensure our School Board is including best practices and innovation in every decision
