Long Term Care Assessment Notice For Private-Pay Residents

Multnomah County
Department of County Human Services

Adult Care Home Program

Adult care home operators are required to advise potential private-pay residents, their family or legal representative of the right to receive a long-term care assessment. Operators must use this form to certify that the resident has been advised of this right. Keep a copy of this form in the resident's record book. (MCAR 023-080-225)

This form must be completed prior to admission to an adult care home.

Free, confidential long-term care assessments and options counseling are available through:

Aging and Disability Resource Connection of Oregon (ADRC)

County website: link.multco.us/community.services | State website: link.multco.us/ADRC

503-988-3646 | adrc@multco.us

This service helps people and caregivers weigh care choices, assess daily living needs, and identify community resources. Assessments and counseling provide recommendations. People who receive assessments or counseling have the right to choose whether or not they want to move forward with an option provided to them.

Care assessments and options counseling are also available at your own expense through private agencies certified by the state. This is sometimes called a Private Admission Assessment.

I understand I have the right to request an assessment and options counseling regarding my long-term care needs:

Legal name (please print): _____
(resident or legal representative)

Signature: _____ Date: _____
(resident or legal representative)

I certify that I provided this information to the prospective resident:

Operator signature: _____ Date: _____
