A Lifelong Commitment to our Community

I grew up in East County and I want this community, and especially our
kids, to have the same feeling of family and home that I did. That
begins with stable, affordable housing, food security, quality public
education, and family-wage jobs.

A Record of Results

"Lori has always been a leader who brings people together and gets
things done for our community. As County Commissioner she will
continue to fight for our most vulnerable citizens. And Lori will
provide the kind of leadership that will move people out of
poverty and into prosperity."

make her the most experienced and qualified candidate. She
understands the important role that public safety plays in the quality of
life we work so hard to protect."
