Multnomah County Jail Capacity Management Plan

Multnomah County Sheriff Nicole Morrisey O'Donnell Planning and Research Manager Kevin Maurelli February 24, 2025

Agenda

- What is the Capacity Management Plan (CMP)?
- Shared partner model
- CMP project timeline
- Variables impacting jail population
- Updated scoring approach
- Questions

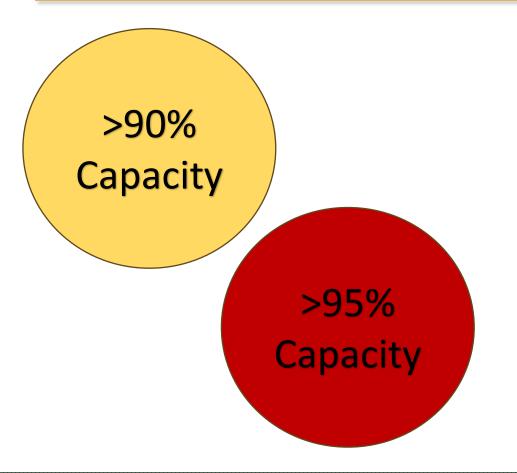

What is the Capacity Management Plan?

- Adopted pursuant to law, budget, and jail operations
- Mitigates County jail population emergencies (95% of capacity)
- Forced release procedures based on risk to community safety
- Partners recommend amendments to release criteria and scoring

	CAPACITY MANAGEMENT PLAN		with ORS § 169.046, regarding notice of a jail		
COUNTY COMMISSIONENCE COUNTY, OREGON NN NO. 2017-066 Construction of the construction	on Plan ("Plan") is adopted pursuant to OK9 population exceeds an application emergency exists when the total jail population exceeds an application capacity as established in Resolution No. XX. Shared Partner Model

- Yellow Alert Operational Adjustments
 Review release eligible adults in custody
 Review partner "Hold" population in custody
- Red Alert Emergency Population Release Release adults in custody per the Capacity Management Plan

Limit Booking Criteria

MULTNOMAH COUNTY SHERIFF'S OFFICE

Capacity Management Plan Progress

- Workgroup to review the plan
- Analysis of jail population
- Determine emergency release eligibility
- Update the resolution and plan documents
- LPSCC and individual partner meetings
- Present to BOCC, March 13, 2025

Variables Impacting Jail Capacity

- Increased bookings, 2023 current
- Presiding Judge's Order, defendants remaining in custody
- Increase in high-level charges; stays of 30+ days, 150+ days
- Increase in presentenced average length of stay

Updated Emergency Population Release

- Foundational Eligibility
 - Pretrial
 - Post Arraignment
- Foundational Exclusions
 - > Hold
 - Measure 11 crime
 - Mandatory arrests
 - Person crime/Conspiracy to commit a person crime
 - Domestic violence charge

Updated Emergency Population Release Tiers

• Tier I

Misdemeanor Charges and Violations No Class A, B, or C Felony charges No firearms/weapons charges

- Tier II
 - Class A, B, and C Felonies

No firearms/weapons charges

Updated Emergency Population Release Tiers Cont.

Tier III

> All remaining eligible Felony and Misdemeanor charges

Updated Scoring Criteria: Public Safety Assessment

- Within each Tier, release order is determined by:
 - Total New Criminal Arrest (NCA) points as determined by the Public Safety Assessment (lowest score released first)
 - If two or more adults in custody have the same NCA points, Total Failure to Appear (FTA) points as determined by the Public Safety Assessment is used to determine release order (lowest score released first)
 - If two or more adults in custody have the same FTA points, length of stay is used to determine release order (shortest stay released first)

Next Steps

- Individual meetings with partners
- BOCC Resolution vote, March 13, 2025
- Technology team project work for integrated procedures

Thank you
