

# Adult Services Division

## Community Corrections Plan 2023-2025

LPSCC Presentation  
October 2023

**DEPARTMENT OF  
COMMUNITY JUSTICE**

# Goal of the Community Corrections Plan

Accomplish performance outcome measures identified in the Intergovernmental Agreement with the State of Oregon while articulating local priorities and needs.

- **Supervision:** Adult felony and some misdemeanors.
- **Services:** Internal and community-based programming and treatment.
- **Sanctions / Jail:** Housing and programming for individuals sentenced to custody for twelve months or less.

# Who DCJ supervises

*FY 2023 Numbers*

**6,590** unique individuals served

**51%** High / Very High risk

**56%** Probation

**44%** Post-Prison

**80%** Felony

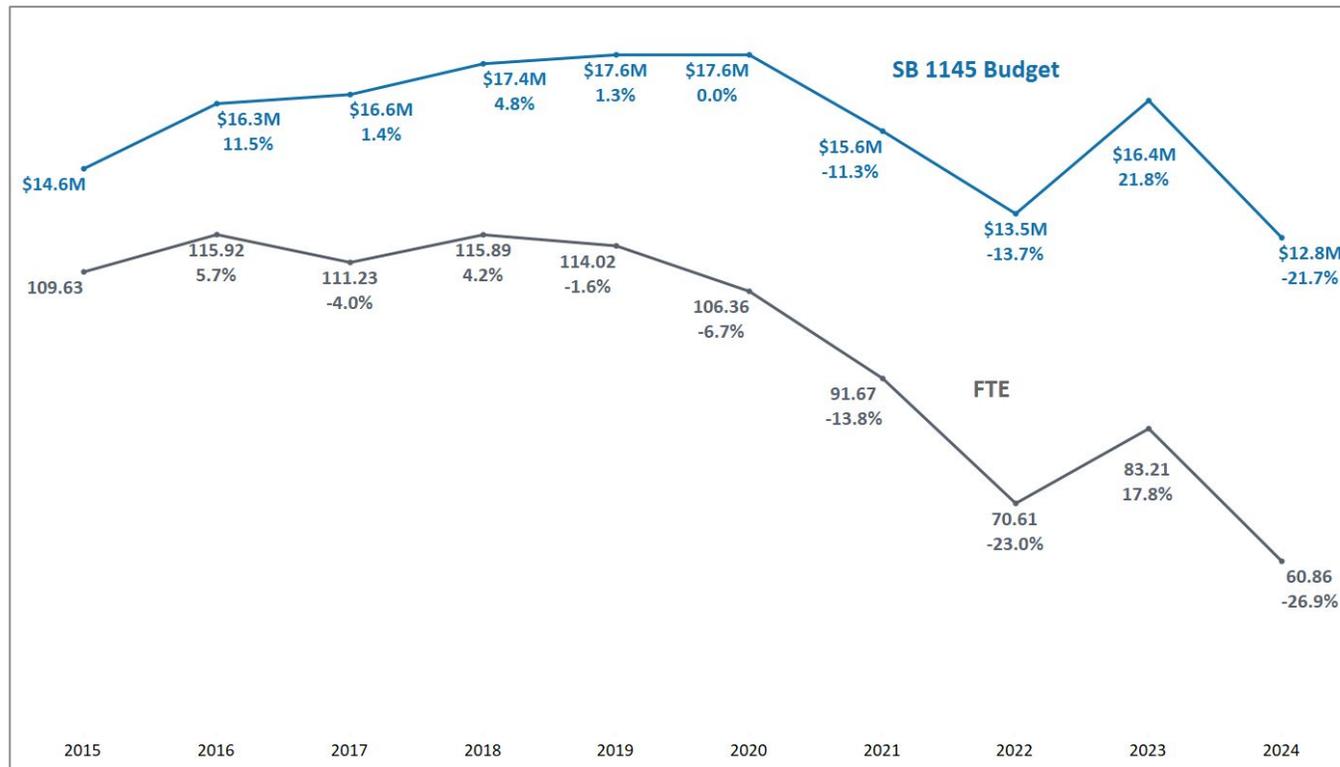

**20%** Misdemeanor

**51%** Person    **22%** Property    **26%** Statutory

**12%** Homeless

# ASD Current State

Navigating a changing landscape

## Legislative Changes

2003 - Evidence-based practices

2005 - Specialty Court model

2013 - Justice reinvestment + earned discharge

2021 - Eliminated supervision fees

2022 - Trauma-informed care, culturally specific services, and de-escalation techniques

2023 - Expanded earned discharge

# ASD Services and Programming

Trauma-informed practices and facilities

Culturally specific services and programming

Specialty case loads

- Sex Crimes
- Domestic Violence
- Behavioral health
- Women and families
- African American Program
- Gang Unit

# Innovation and best practices

## H.E.A.T. - Habilitation, Empowerment, Accountability, and Therapy

- Embedded in African American Program
- 126 dosage hours
- More meaningful contacts
- Stipends to participants

Cohort 1 includes **6 different rival gangs**. The sessions are neutral ground. HEAT encourages us to model living in harmony with people we may choose not to associate with.

## S.A.R.P. - Stabilization and Readiness Program

- Embedded in Mental Health Unit
- Rest: Clients have a safe space to rest, eat, and hang out
- Progress: Trust building leads to better outcomes
- Reconnect: DCj and Community Partners are able to have reliable meaningful contact

**79% of participants engaged in skills / case management on their first visit.**

# Sanctions

## Community-based alternatives to jail

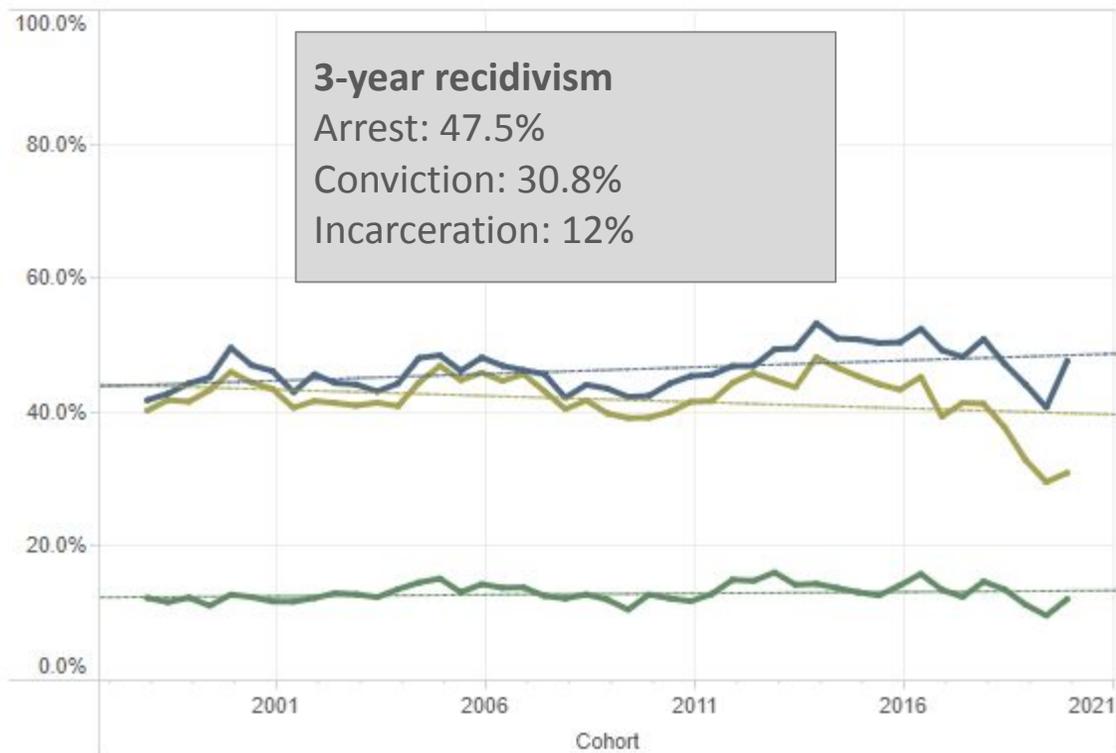

- Community service
- Electronic monitoring

## Jail sanctions

- Prioritized for identifiable victim safety issues
- Monitor usage and relative rate index through the use of dashboards
- Approximately 120-140 individuals at any given time

# Key Data: Recidivism
