*An initiative to reduce  
overincarceration by changing  
the way America thinks  
about and uses jails*

# SJC // About the Safety + Justice Challenge

### Pretrial system assessment:

- October 2019 - December 2019
- Results presented: January 2020
- Conducted by Justice System Partners (JSP)

### **Assessment will include:**

- Status of multi-agency collaboration for pretrial system oversight (e.g., establishment of release-detention framework/guidelines, use of performance measures to improve system's functioning)
- Role of the prosecution and defense in pretrial decision-making
- Court pretrial decision-making
- Roles of DCJ and Sheriff's Pre-trial programs
- Pretrial system, including performance measurement and reporting

## Other ongoing strategies include:

1. Reduce Time to PV Hearing
2. Reduce DCJ Sanction Length
3. Law Enforcement Assisted Diversion (LEAD)
4. Interfering with Public Transportation (IPT)
5. Presiding Judge Order (PJO) Reform
6. Diane Wade House
7. Aid & Assist
8. Treatment First
9. A: Pretrial system assessment (non-assessment impacted)  
B: Pretrial system assessment (assessment impacted)

## Strategy 9:

A: Pretrial system assessment (non-assessment impacted)

- Increase access to pretrial community supervision

B: Pretrial system assessment (assessment impacted)

- MCSO Jail Navigator
- Mental Health District Attorney
- FTA reduction
