My Core Values, founded in my faith in God, are: Leadership, Integrity, Character, Honor & Trust.

- **I believe that making the decision to educate oneself, is one of the best decisions that a person can make in their life.** The decision shows that the person is willing to be personally accountable, and take individual responsibility for their future. Education, is a step in the right direction for a person to becoming a productive member of our society, and helping to make our country strong once again.
- **I chose to run for Mt. Hood Community College Board, Zone 3 Director, because I want to serve.** I believe that to make our community better, I cannot just sit on the couch, watch TV, and complain any longer, I have to get out there and do something to make things better.
- **As an Eagle Scout, and a father of 2 daughters, I have within me the motivation to set the example, and lead by that example, for my 2 daughters.** I reject being a victim of life and circumstance, and reject what some call the "entitlement mindset". I have always been the type of person that believes that I work for what I get because I value it more. Pursuing an education helped me to develop that work ethic, that motivation, that drive, that contributes to my willingness and desire to serve as Mt. Hood Community College Board, Zone 3 Director.

I humbly ask for your vote. Thank you.
