City of Lake Oswego

**3-295 LAKE OSWEGO BOND
ISSUE FOR WEST END BUILDING
REFINANCING**

Question: Shall the City issue up to \$20 million in general obligation bonds to refinance the West End Building property purchase?

If the bonds are approved, they will be payable from taxes on property or property ownership that are not subject to the limits of sections 11 and 11b, Article XI of the Oregon Constitution.

Summary: This measure may be passed only at an election with at least a 50 percent voter turnout.

On July 7, 2006 the City of Lake Oswego purchased the former Safeco Insurance property at 4101 Kruse Way, Lake Oswego, consisting of 14.08 acres with improvements including an 88,872 square foot office building, now known as the West End Building. The purchase price was \$20 million. The final determination of how the property will be used has not yet occurred. Potential uses could include combined public and private uses. The purchase was made with reserve funds that were replenished through a short term line of credit. This measure authorizes up to \$20 million in general obligation bonds to refinance the purchase of the property to retire the line of credit. The bonds will be payable over a period not to exceed 20 years. If the maximum amount of bonds is issued, it is anticipated that property taxes on a home with the average Lake Oswego assessed value (not real market value or sales price) of approximately \$300,000 would increase by \$105 per year.
