CITY OF PORTLAND

REFERRED TO THE PEOPLE
BY THE CITY COUNCIL

26-53 AMENDS CHARTER: CANDIDATES RECEIVING MAJORITY VOTE AT PRIMARY ARE ELECTED.

QUESTION: Shall Charter provide that candidates who receive majority vote in Primary Election are elected without further vote at General Election?

SUMMARY: Presently, the Portland City Charter provides that all candidates for City office must be elected at a General Election. Therefore, even when a candidate receives a majority of votes cast at a Primary Election, that candidate appears as the sole candidate on the General Election ballot. The proposed measure will amend the Charter to provide that if a candidate receives a majority of votes cast for an office at the Primary Election, that candidate is elected to that office for the term beginning the following January. As a result, the candidate would not have to appear on the General Election ballot. If no candidate receives a majority of votes cast for the office at the Primary Election, the two candidates receiving the highest number of votes shall appear on the General Election ballot.

**SCAPPOOSE
SCHOOL DISTRICT 1J**

5-119 THREE YEAR LOCAL OPTION TAX FOR SCAPPOOSE SCHOOL DISTRICT OPERATIONS

QUESTION: Shall the District levy \$0.53 per \$1,000 of assessed value for three years beginning 2004-2005 for operations? This measure may cause property taxes to increase more than three percent.

SUMMARY: This measure may be passed only at an election with at least a fifty percent voter turnout. This measure authorizes the Scappoose School District 1J to levy property tax in the amount of \$0.53 per \$1,000 assessed value each year for three years. All of the revenue from this tax measure will stay in the Scappoose School District. The taxes would be used to help finance district operations and partially alleviate reductions to staffing and programs. The funds raised by this measure are estimated at \$500,000 per year. This estimated tax cost for this measure is an ESTIMATE ONLY based on the best information available from the county assessor at the time of the estimate.
