OPTIONAL INFORMATION

I have lived in Corbett my entire life. My family has been a part of the Corbett Community for over a century and has had five generations attend Corbett Schools. I have two children entering the Corbett School District soon as well as many friends and family with children currently in the District, so it is extremely important to me that the administration is providing the safest and best learning environment for our children.

While I have no experience on a school board, I have worked with the judicial system and legal community for over 10 years. This experience has helped me develop a keen sense for details as well as being able to understand multiple views to incorporate them all into the big picture. My work experience has taught me to not accept the persuasive words of others as fact without doing my own research and to question when things do not make sense. I believe this will be an asset in making informed decisions if elected. As a new board member, I will be a fresh set of eyes for finding new ideas for improving and ensuring the future of Corbett Schools.

If I am elected, I will foster communication with community members. As the safety of our children is crucial, I will take all steps possible to ensure the best practices are being followed. Funding for education is always an issue and continuing to increase the student population from outside the District is not the best solution for our community and schools. Therefore, I would make it a priority to find alternatives for the budget shortfall while keeping the children's best interest in mind.

Thank you for your consideration.
