Prior Governmental Experience: (Elected or Appointed)

Parkrose School District: Board of Education 2005-Present;
Parkrose Middle School Site Council; Sacramento Elementary Site Council

I want to thank the voters of the Parkrose School District for their support. Because of your support, Parkrose School Middle School has been recognized as a National Demonstration School for AVID (Advancement Via Individual Determination). This program inspires and builds the skills needed for students to attend college and to have a productive career.

To the Parkrose community I will:

Provide a wide range of learning opportunities for each student

Parkrose has programs to assist students in expanding their learning, with training programs in the trades and professions. Parkrose has partnered with other school districts in the professional career areas of Architecture, Construction and Engineering. I will continue to support opportunities for students to obtain college credit through Advanced Placement classes, and at Mt. Hood Community College while attending Parkrose High School.

Make sure that our bond dollars are used wisely

Parkrose has, and continues to, upgrade and remodel our schools so that students have the learning environment and safety they need. This work has been done within or below budget. A new Middle School will be built in 2013-14 and is within budget.

Support all instructors in their challenge to be the best for students

World class students need world class instructors, and Parkrose has world class teachers and staff. We need to support effective Professional Development for teachers and staff. We will continue to be role models for our students, in order to demonstrate that learning never stops.

Your support of our schools is key to a strong democracy, and vital to our economy. Thank you for that support. Together we can continue to make Parkrose a place for world class learning. I would appreciate your vote.
