Multnomah Education Service District Budget Committee 2013

OPTIONAL INFORMATION

Dear Friends,

I'm asking for your vote to continue serving as your position 7 at-large School Board Director in the Centennial School District.

My wife and I have lived in the Centennial School District for over 20 years. Our two children attended Centennial Schools and were well prepared to pursue their goals and dreams after graduation. We love this community! With that said,

I'm committed to our district's 5 year non-negotiable academic goals that were enacted in the 2010-2011 school year.

- * Every child performs at grade level in reading, writing and math by the end of the 3rd grade.
- * Every child leaves 8th grade academically ready for 9th grade.
- * Every student finishes 9th grade with credits necessary to graduate on time.
- * Every student graduates ready for college and/or career.

It's vitally important to prepare our students for the competitive world that they will soon enter.

It's a pleasure to visit all school sites and see the commitment, dedication, focus and passion about education that our students, teachers, administrators, support staff and volunteer parents display on a daily basis.

I understand budgets and bargaining based on my past experience. I'm fair and work collaboratively to arrive at a budget or an agreement that is consistent, financially prudent and respectful of the needs of all.

I really enjoy working with this board and would love to continue for another four years. Thanks,

Ernie Butenschoen
