Megan Larsen, Earl Boyles Elementary preschool teacher

"Krista Dennis is a thoughtful and passionate advocate for education and the David Douglas community. She will be outstanding board member."

Andreina Velasco, educator and community member

As a lifelong Oregonian and an advocate for the David Douglas School District, I want to help our district strengthen our excellence in education.

I will champion parents' involvement in their children's education and the district by:

- Improving each school's parent organization.
- Creating an online parent organization.

I will promote more community involvement in our schools by:

- Bringing in community resources that the schools need in order to thrive.
- Expanding awareness of our district's needs and strengths.

I will work to improve communication within the district by creating:

- A master calendar that has all school activities and will provide families an opportunity to be involved in events at other district schools.
- A monthly town hall meeting with teachers and parents that allows an opportunity to ask questions and provide ideas to the board.

As the mother of a young David Douglas student, I am dedicated to preparing our students for the future. I have attended EVERY SCHOOL BOARD MEETING since my child started in the district. I have involved myself in many different committees including the David Douglas Education Foundation, David Douglas Family Engagement Coordinating Council, David Douglas Citizens Advisory Committee and the Earl Boyles Parents United.

The David Douglas School Board needs a voice for the average parent. A parent who wants to make this school district better. I want to be that voice on the David Douglas School Board.
