OPTIONAL INFORMATION

I believe that Riverdale has the opportunity to be the school district by which others measure excellence.

My career as a strategy and organizational change consultant involves taking complex situations with many diverse stakeholders and finding alignment to move forward and achieve common goals. As a Riverdale School Board member, I will use these skills to address the myriad issues that our District might face – from curriculum to budgeting to student safety.

Details of my professional career can be found at www.coraggiogroup.com

I am a Portland native who is passionate about education.

My husband Olaf and I have two children attending Riverdale Grade School. We chose to enroll our children at Riverdale, first as tuition students and later moved here because of the quality of the education and the strength of the community.

I've conducted over 65 interviews with students, Grade School and High School parents, teachers, administrators, community members and Riverdale Foundation donors. Through facilitating the Riverdale Visioning and Strategic Planning process, I have developed a deep appreciation for and understanding of the many different stakeholders who are invested in our District. I also recognize the challenges we face, and I believe I can contribute positively to addressing those challenges.

As board member of Taunus International Montessori School and advisor to the Washington Student Achievement Council, I have experience with the challenges that face today's schools. My broad Riverdale volunteer involvement has connected me to our parents and community, be it as Girl Scout leader, 2nd grade soccer coach, or as a guide at the Garden Tour.

With your support, I will work diligently toward our common goal: to ensure that Riverdale continues to offer an exceptional education for our children and for generations to come.
