Formatted Statement

I'm a queer, trans, nonbinary resident of Maywood Park, proud parent of three grown children, and partner to someone amazing.

I've worked as a registered nurse for 15 years, and nursing has taught me that real change starts with listening; taking the time to ask questions and understand what people actually need. I've carried that into my work as an OFNHP union steward, advocating for coworkers with fairness and

accountability, and as a member of a government grant committee and nonprofits, helping direct resources where they'd do the most long-term good. Early in my career I worked with Americorp VISTA with Habitat for Humanity where you walk and live side by side with those you serve, as you elevate their voices to create change in systems meant to silence you.

My family and I fell for Maywood Park's trees and character, and it's become home in every sense.

I'm running because I believe local government works best when everyone has a voice, problem solving is collaborative, and no one gets left behind.

As a council member, I'll focus on:

- **Sustainability** — investments that leave Maywood Park healthier and more resilient than we found it
- **Responsible budgeting** — spending that's transparent and accountable to residents
- **Real community connection** — making sure every resident isn't just welcomed, but knows their voice shapes this city's future
