Summary 175 words

The current Charter was enacted in 1970 and has had no revisions since that time. The current Charter is therefore outdated and limits the City's ability to borrow money and levy taxes to benefit the City and ensure its continued existence. In order to operate more efficiently, the City is proposing a new Charter, which has been drafted by the City Council and includes provisions to better protect citizens and to allow the City to serve the community to a fuller extent. This ballot measure must be voted on and passed by Maywood Park voters in order to allow the City to adopt the new Charter.

The following authorized city official hereby certifies the above ballot title is true and complete, which includes publication of notice and the completion of the ballot title challenge process.

The City is proposing a new Charter, which has been drafted by the City Council and City Attorney and includes provisions to protect citizens and to continue to allow the City to serve the community. The current Charter was enacted in 1970 and has had no revisions since that time. The proposed new Charter would enable the City to maintain its fiscal viability and allow the City to borrow money and levy taxes, in accordance with Oregon Revised Statutes, to ensure its continued existence. The new Charter also includes provisions for replacing a Council Member, in the event he/she moves outside the Maywood Park City Limits, resigns his/her position, or is unfit or unable to serve further as a Council Member.
