TERM LIMITS

Caption: Amends charter, extends term limits to three consecutive terms

Question: Should charter be amended to extend term limits to three consecutive four-year terms in any one office in 16 years?

Summary: The current Charter limits elected officers to two full consecutive four-year terms in any one elective county office in a 12 year period. The proposed amendment would allow elected officers to serve up to three full consecutive four-year terms in any one elective county office within a period of 16 years. The Charter would retain the provision stating that if an officer is elected or appointed to an elective county office for a term of less than four years, the time served does not count against the limitation on terms within any 16-year period.
