

Medicaid Transportation

For medical transportation:

Refer OHP consumers with questions about OHP medical transportation as follows:

- If enrolled in **FamilyCare** or **Health Share of Oregon** contact *Ride to Care* @ 1-855-321-4899.
 - Includes individuals only enrolled in dental and/or mental health services
- For OHP consumers **not enrolled** in a Medicaid CCO (fee for service/open card) contact *Tri-County Med Link* @ 1-866-336-2906.

For Non-Medical Transportation:

- Must be enrolled in LTC services and **prior authorized by a case manager**
- Nursing Facility residents are not eligible for this service

(Refer to case manager)

*Please note that many people new to Medicaid will not be enrolled in a care plan for 7-14 days. You may need to call Tri-County Med Link initially but will most likely transition to *Ride to Care* after enrollment into a Medicaid health plan occurs.
