Kevin Butler

Locally Leading while remaining at Large

My name is Kevin Butler and I am running for election for the Multnomah Education Service District Board. I care about my community and passionately believe education is key to its continued success. MESD has already created a powerful plan to support its mission of education, engagement, inspiration, and empowerment. My experience includes working with many different perspectives and personalities to collaborate in driving action - bridging the gap where the challenges start and where their solutions need to be.

I have not held an elected position before but I believe this position is an opportunity for me to lean in and ensure that equitable education is attainable for all students within Multnomah County. The landscape of education has changed significantly and will continue to do so. There may be a million reasons to walk away from that change and be a passive observer to the future of this community, but the MESD gives me a good reason to stay and actively support its success.

My name is Kevin Butler and I am running for the MESD Board and I believe I can help their mission, and in doing so, help my greater community at large. Thank you.

I am proudly endorsed by:
