Community Involvement: Willamette Falls Locks Authority

WORKING FOR OUR COMMUNITIES!

Dear neighbors,

In my first two terms I've elevated our community voices at Metro for strong and vibrant neighborhoods, a robust economy, and a responsive regional government.

- **We partnered with local governments to provide additional resources so more people can access safe and affordable housing.**
- **I've pushed back hard on unfair tolling schemes and worked for fairer alternatives. Investments are needed in neighborhood streets and transit service — we need a transportation system that works for everyone.**
- **We are opening up more parkland for families to enjoy, like Oregon City's Newell Creek.**
- **Metro is working with local businesses and economic leaders to attract economic activity, supporting job-ready lands, workforce development, and education.**
- **We have increased investments that reduce trash dumping** in our public spaces, and have spearheaded innovations in reuse to divert targeted waste from the landfill.
- **I've led the efforts to reopen the Willamette Falls Locks** and am committed to public access and restoration around the falls— an incredible community treasure.

There is a lot of work to do. I am asking for your vote so we can continue to meet these challenges together.

- Christine Lewis
