Dear Voters:

I am a lifelong Oregonian and a resident of East County. I have over a decade of experience working in nonprofits, government, and small businesses. I am running because I believe that everyone should have the ability to seek higher education at an affordable rate no matter their economic status or ethnicity.

I have a passion for knowledge and believe that every student should be supported throughout their educational journey. I believe Mt. Hood Community College is a pathway for workforce development and builds leaders. I am one of them. Many alumni like me, have gone to work at the college, in government, or created businesses and nonprofits.

As a Board of Education member, I will:

- work with businesses, nonprofits, and various government entities to support students' experience and success.
- continue to advocate for students to have a positive experience through policy, budget, and strategic plans.
- believe that students, faculty, and staff deserve a safe campus and equitable policies.

I look forward to continuing to serve the community college that started my career.
