#### **Welcome and Introductions**

Introductions were made

#### **Dr. Seale and Corrections Health**

Dr. Seale gave an overview of Corrections Health which included access to care, challenges in correctional environment, three budget notes, steps to improvement, immediate responses, and the future of Corrections Health. See the presentation for more information.

#### **Aid & Assist Docket**

Judge Jones noted the process for the new Tuesday afternoon "Aid & Assist" or "Transport" docket at the Justice Center.

#### **Standing Agenda Item**

In addition to focusing on Aid & Assist, Judge Frantz wants to keep information sharing and diversion on the forefront.

Judge Frantz provided a review and update on the panel of forensic psychologist. There may be county money to help make this happen. It will free up beds in jail and the state hospital. She has reached out to Nancy Cozine.
