Michael W Durrow Voters Guide Statement, PDX City Council Race, Pos #4

OCCUPATION: Director, Multnomah Educational Service District

OCCUPATIONAL BACKGROUND: Photographer, Independent Software Engineer, Network Engineer, Realtor

EDUCATIONAL BACKGROUND: Portland Community College, Reed College.

PRIOR GOVERNMENTAL EXPERIENCE: Precinct Committee-person 1992-Present,

I'm believe in a progressive government that cares about the least of its citizens. I believe public service is about enriching the lives of those people you serve, not the other way around, and that transparency and accountability are indispensable to good government.

My goals in office are:

1. Advocate consensus for a more progressive way to fund our streets that doesn't inadvertently displace poor and fixed income residents.
2. Lead, prod, cajole and shame the council until they make good the promises that were made when the Unincorporated areas agreed to be annexed into Portland.
3. Get the shortage of affordable housing under control by incentivizing innovative low-income housing projects in all Portland's diverse neighborhoods.
4. Oppose the failed treatment of drug use as a Criminal Justice issue and treat drug usage as a public health issue. Make Portland a leader in Drug Hazard Reduction.
5. Spearhead projects for Environmental Conservation and long-term Restoration of Honey Bees, Bats, Birds, Butterflies, Milkweed and other indigenous species.
6. Promote programs that have potential to increase our effective sustainability and conservation, using new building codes and Municipal projects.
7. Oppose the inhumane treatment of homeless people. Develop and propose a comprehensive homeless system that puts Portland on the bleeding-edge.
8. Work together with business, labor, and non-profits in any ethical way to reduce the cost of government.
9. Fight for transparency and accountability from PPD. Institute policies that will reduce police involved injuries, deaths and civil rights complaints.

I will improve City government for residents by doing more with less, prioritize services where they are most needed, always striving to be a good example for other people and put principles first. My watchwords in office will be: openness, transparency, accountability, conservation, and sustainability.

- Michael W Durrow
