I have been honored to serve as your school board director for the past 4 years. My husband Olaf and I have two children who have attended Riverdale Grade School since 2009, and our daughter will be starting at Riverdale High School in the fall. We chose to enroll our children at Riverdale because of the quality of the education and the strength of the community.

I am a Portland native who is passionate about education. During my tenure on the board, I've devoted hundreds of hours to improving the district. Some of our board accomplishments include:

- Stability in leadership by hiring an excellent Grade School Principal and District Superintendent and supporting our outstanding staff and teachers
- Increased enrollment and enrollment requests at our schools
- Consistently ranked as #1 in Oregon by ratings reports such as Niche "Best K-12 Schools"
- Improved advocacy for our district at a local and state level, by monitoring policy discussions and meeting with legislators
- Negotiating a balanced teacher contract
- Careful fiscal stewardship of district resources, including reducing the debt costs to our district taxpayers by refinancing the 2009 grade school bond

My career as a strategy and change management consultant involves taking complex situations with many diverse stakeholders and finding alignment to move forward and achieve common goals. Before my election, I volunteered nearly a year of my time to develop the 2013 Riverdale Strategic Plan. As a board member, I've used these skills to address the myriad issues that our District faces – from curriculum to budgets to student safety.

With your support, I will work diligently toward our common goal: to ensure that Riverdale continues to offer an exceptional education for our children and for generations to come.
