

Memorandum of Agreement

(Disaster Resource Center / Emergency Shelter Operations Staffing)

I. Parties to the Agreement

The parties to this Memorandum of Agreement (hereinafter referred to as the “MOA”) are Multnomah County, Oregon, (hereinafter referred to as the “County”) on behalf of the Department of Community Justice (hereinafter “DCJ”), and the Federation of Oregon Parole and Probation Officers (hereinafter referred to as the “Federation”).

II. Background

The County and Federation have a mutual desire to incentivize employees to staff Disaster Resource Centers (DRCs), Emergency Operations Centers (EOCs), and the Passenger Transport Unit (PTU) during emergencies, including but not limited to excessive heat and cold events, in order to stabilize staffing for these critical County services.

The Federation and the County initially entered into a MOA on December 14, 2021, establishing the Shelter Staffing Trial. The parties have extended the MOA in subsequent years.

THEREFORE, the parties have reached the following Agreement:

III. Agreement

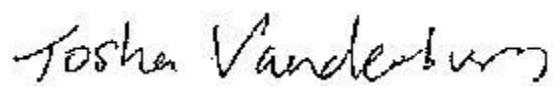

- A. This MOA will be in place from the date of agreement to June 30, 2026, in order to create a Shelter Staff Operations program. Unless mutually agreed otherwise, effective July 1, 2026, the provisions of the Collective Bargaining Agreement will revert to prior contract language and this MOA will expire. Nothing in this MOA is intended to imply that this Shelter Staffing Operations agreement is status quo for the sake of future negotiations.
- B. The County will solicit volunteers willing to staff DRC, (EOC), and/or PTU operations. Those who volunteer for these shifts or positions will receive a twenty percent (20%) premium for hours worked in addition to any contractual overtime, shift differentials and Work Out of Class pay required when an employee voluntarily accepts additional shifts.
- C. The County assigned a pay range for each type shelter staffing position to ensure employees working at a higher level than their home position are compensated appropriately. For purposes of setting pay, the County will follow regular work-out-of-class procedures. An employee at a higher level than the DRC, EOC, or PTU operations position they fill will receive no change in pay.
- D. Supervisor approval is required with the understanding this is a top priority for the County

and all requests should be approved unless the employee is scheduled for a fixed post shift or a staffing hardship exists. Employees who wish to sign up and are not approved may appeal to their Department Director for review. The approval of employees volunteering to staff DRC, EOC, or PTU operations shall be at the Director's sole discretion. In addition, managers are encouraged to release employees from their regular assignment whenever possible to allow the employee to sign up for the maximum number of shifts during the emergency.

- E. By volunteering, the employees become "ad hoc essential workers." If the County determines it is necessary to open a DRC, the employees will be asked to sign up for needed shifts as they are posted for sign up.
- F. In addition to the twenty percent (20%) premium, employees will receive one (1) day of Disaster Resource Saved Holiday at the number of hours described in Article 6.3 "Hours of Paid Leave on Observed Holidays" for every thirty-two (32) hours worked in a shelter between July 1 of each year through June 30 of the following year. Saved holiday earned under this Agreement must be used by June 30, 2027, or it will be forfeited. The saved holiday will be added to the employee's paid leave bank the pay period following the completion of every thirty-two (32) hours of DRC, EOC, or PTU shifts.
- G. When practicable, efforts will be made to equitably allow for shift sign up when fewer shifts are available than willing employees.
- H. Employees will not be required to accept shifts which do not allow adequate time to sleep. An employee working swing and/or graveyard shift will be allowed to flex their time so that they are not required to work their next day shift, unless it is mutually agreed with their supervisor there is adequate time to sleep. Managers are encouraged to allow employees to flex their time whenever possible in order to facilitate staffing DRC operations.
- I. The County will provide ongoing and consistent training to staff who volunteer for DRC, EOC, or PTU staffing.
- J. It is understood this agreement may be edited, added to, or further modified upon mutual agreement of both parties. Ongoing discussions to improve the shelter staffing process are encouraged.
- K. Any dispute related to enforcement of terms of this agreement is subject to the grievance procedure as described in FOPPO Collective Bargaining Agreement.
- L. This MOA shall not be deemed to set a precedent and shall not be raised in any future labor relations setting except for the enforcement or defense of its terms.
- M. The parties further understand that this MOA only addresses compensation for employees and that if the County introduces a new mandatory subject of bargaining during the term of this agreement, the Federation reserves the right to bargain over the matter.

AGREED to this date, January 26, 2026.
