

MULTNOMAH COUNTY, HEALTH DEPARTMENT

Vacation Policy

The Health Department's policy for vacation sign-up is as follows:

Each work team, including the manager and/or supervisor, creates a sign-up plan for their work site that provides fairness for those team members and meets the operational needs of the service team.

It is expected that the manager/supervisor will respond in a timely manner when adequate notice of the requested time-off has been given.

Revised: February 2005
