Dear East County Neighbor,

I'm running to be your County Commissioner to bring urgency and accountability to our emergency and safety net systems. The lingering challenges from the COVID pandemic and the surge in fentanyl and other drugs are threatening many in our community.

Despite good intentions of past leaders, many of our systems are failing to meet the stress tests we are now facing.

We need to let go of "the way it used to be" and get with the now. We have the opportunity to create a better future for us all, and as we have all learned from recent news reports, our county, regional, and state government has the money to fund solutions.

**My top priorities are:**

- Real solutions to prevent and manage homelessness
- Mental health and addiction services
- Community Safety

**Our community deserves:**

- Emergency services that provide essential care and respond quickly.
- Easy access to information regarding services for those in need or at risk.
- Efficient and accountable government that uses its resources effectively.

**Proudly Endorsed by Community Leaders and Advocates**
