

# Community Resource Inventory

---

## Multnomah County Comprehensive Gang Assessment

**June 2014**

This inventory was compiled, as part of the Multnomah County Comprehensive Gang Assessment, for the purpose of documenting programs, services, and community organizations that serve gang impacted youth and families through primary or secondary prevention, intervention, suppression or reentry. This is not intended to be used as a directory. The information about programs included in this document is limited to what was able to be compiled during the assessment period, and therefore might not be comprehensive.

**3. Program Purpose**

Pettygrove is a group home facility that serves young women age 13-18 in the custody of the Oregon Youth Authority in need of residential services as prevention to a higher level of care or to provide for transition services from a more secure setting. Yo

**4. Service(s) Provided**

At Pettygrove we believe in a trauma informed care approach to permanency. We work through young women's grief, loss, and trauma leading to their delinquent behavior thus allowing them to heal and feel emotionally prepared to develop healthy permanent connections. We believe in a holistic approach to personal growth that encompasses physical, spiritual, relational, intellectual, emotional and sexual. These domains are interwoven into the program in multiple ways and help young women work through their traumatic past. We also believe that relationships are of key importance to personal development and blossom through the celebration of diversity and respect for individual and self. While in the Pettygrove program young women will attend school for their diploma or GED. If they are on the Independent Living Track clients may be attending higher education or working. Clients will receive all or some of the following service based on individual need:

Individual Therapy

Family Therapy

Psychiatric Consultation

Individual Skills Training

Group Skills Training

Case Management

Medical and Dental Services

College Possible

**2. Program Name**

**3. Program Purpose**

College Possible is making college admission and success possible for low-income students through an intensive curriculum of coaching and support.

**4. Service(s) Provided**

College Possible serves high school students during their junior and senior years, in which AmeriCorps “coaches” guide students through all of the key aspects of preparing for college during after school sessions. Coaches lead students through copyrighted curriculum focused on every stage of the college process: from preparation to application to graduation. We also offer College Prep Talks to 9th and 10th graders at our partner high schools to encourage early planning and help create a college-going culture. When our students transition to college, they enter our college program which is designed to support students through degree completion. College services are provided for up to six years or longer if they continue to actively pursue their degree.

**5. Dosage of Services**

High School Program: 2 hour, biweekly sessions after school for two years (320 hours total).

**6. Target Population/Eligibility Criteria**

Low-income, first generation college students

**7. Program Capacity**

Cohorts range in size from 15-65 at our partner high schools. Cohort size is determined by need in the school.

**8. Is the Program full?**

Students must begin enrollment in the program by the beginning of their junior year. The program becomes full once the cohorts are filled, but a new junior cohort is created every school year.

**9. How long is the wait for services?**

INDIVIDUAL DEVELOPMENT ACCOUNT

**3. Program Purpose**

**4. Service(s) Provided**

An Individual Development Account is very similar to a savings account, but savings are multiplied by 3. By starting a savings plan and depositing funds into the account, the objective is to reach a specific goal to create asset wealth. The money can be used for buying equipment for your business or as a down-payment for first-time homebuyers.

For example: If a person saves \$3000, the bank will match it at 3:1 (\$9000) for a total of \$12,000.

**2. Program Name**

CENTER FOR FAMILY SUCCESS

**3. Program Purpose**

Provide families with advocacy, home visiting and family activities to reduce social isolation.

**4. Service(s) Provided**

Parent and family advocates work closely with clients to help them navigate complicated systems, e.g. DHS, court, and help them to secure positive outcomes. Home visiting allows parents to practice parenting skills in a familiar environment under the supportive guidance of a child development professional. Individual questions can be answered and family dynamics can be discussed in confidence. This program helps parents learn child management techniques as well as how to help their children develop key cognitive, social, and emotional skills. Ongoing family activities help to reduce isolation felt by underserved families as well as give parents models for positive family interactions.

**5. Dosage of Services**

22-25 visits per family per year; 24 child and family engagement events per year; advocacy as needed

**6. Target Population/Eligibility Criteria**

ROCKWOOD INTERCULTURAL STUDENT EXPERIENCE (RISE)

**3. Program Purpose**

Serves middle school youth with chronic absenteeism/at risk for violence

**4. Service(s) Provided**

Youth receive academic support and assistance in one-on-one and group settings. Youth participate in prosocial activities that enable them to have fun as well as model positive behavior. Youth Advocates help connect clients to services and to take steps towards success in terms of academics, life skills, and prosociality. Youth Advocates serve as mentors for youth by modeling prosocial behavior and working individually with youth to achieve goals, both behavioral and academic. As a leader in the Rockwood Pathways Project, Pathfinders has a strong network of partners to refer clients to so that they can access all services needed for success. Wrap-around support for parents and families is offered as well.

GEAR UP FOR COLLEGE

**3. Program Purpose**

GEAR UP is a federal grant that has been awarded to Portland Public Schools. GEAR UP is an acronym for “Gaining Early Awareness and Readiness for Undergraduate Programs”. Our program wants to give kids exposure to careers and colleges before they graduate

**4. Service(s) Provided**

We provide them with academic and advocacy services to help make their school experience more equitable. Overall, we work to help them pursue some type of higher learning when they finish high school. Our program is a cohort grant, so each year, the kids will get older. At the beginning of the 2012 school year, they will all be 7th and 8th graders. The following year, they will all be 8th and 9th graders, and so on.

**14. Funding Sources**

Private, Local

**1. Agency Name**

Self Enhancement Inc.

**2. Program Name**

IN-SCHOOL PROGRAM

**3. Program Purpose**

All students have a coordinator and each coordinator is responsible for a caseload of kids (student ratios at Middle 40:1, High 35:1). Each coordinator has an office at their school site and is an essential part of the fabric of the school.

**4. Service(s) Provided**

Services include: Individual Success Plans (ISP), 24/7 case management, monitoring of school performance, and curriculum.

**5. Dosage of Services**

Our coordinators are imbedded in the schools as well as at the Center for Self Enhancement. They are available all year, day and night for the students on their caseload.

**6. Target Population/Eligibility Criteria**

Underserved African-American students with barriers to significant barriers to success; an incoming 9th grade student at Jefferson High School

**7. Program Capacity**

Our program capacity is really based a lot on the amount of funding. Per our ratios, if we have funding to pay for another coordinator and serve more students, we will.

**8. Is the Program full?**

No

**9. How long is the wait for services?**

There isn't a waiting list, per se, however many families are elated when their children reach the age to enter SEI.

**10. Geographic Service Area**

N/NE Portland, Outer East Portland

**11. Does the program focus on gang members?**

No

**12. Are program staff experienced at serving gang members?**

Yes, Our staff are experienced at serving children and families with significant struggle and trauma: gang involvement/activity; poverty; single-parent household; drug abuse; etc.

**13. If risk assessments are conducted, do they include gang membership?**

Yes, Our most widely used risk assessment is the Barriers Checklist, which does include questions regarding gang affiliation.

**14. Funding Sources**

Private, Local, State

**1. Agency Name**

Self Enhancement Inc.

**2. Program Name**

SUMMER PROGRAM
