## Candidates Statement for Voter's Pamphlet

### Optional Information

Candidate: Natalie Voruz

I have lived in Fairview since 2000 and believe it is the best place to live and raise a family in East County. I want to expand my service to our community by seeking election to the Fairview City Council. Fairview needs responsible leaders who make smart, informed decisions to ensure Fairview remains a great community to live and work.

Fiscal responsibility and enhancing public safety need to be a priority. Fairview has been relying on shrinking reserve funds to balance the budget. Using reserve funds for standard operations is contrary to long-standing budget principals. I would explore options to increase revenue without relying on new taxes or fee increases. We need to encourage vacant land development . With intelligent revenue enhancement, we can stabilize the fiscal future of Fairview while protecting vital public services.

I have the first-hand public safety experience Fairview City Council needs. A proactive approach to public safety can reduce crime before it happens. Fairview needs to increase support for Neighborhood Watch programs and be open minded to input from citizens, identifying solutions to prevent crime. Fairview needs to listen to concerns of our residents and follow through by taking action. Increased local business can also increase public safety. Undeveloped land, over grown landscaping, and poorly lighted areas attract crime, vandalism, and violence. New business, lighting, landscaping and visible people decrease crime rate.

I would be honored to represent the citizens of Fairview, providing the economic, public safety, and leadership experience Fairview needs.
