Elections Division • Tim Scott, Director

We have not counted your ballot because the signature on your ballot return envelope does not match the signatures on your voter registration record. It is not too late for your ballot to be counted. **Please take the following two steps for your ballot to be counted:**

1. Print the voter registration card on the back of this letter.
2. Sign the registration card. Please try to sign your name the same way you did on your ballot.

Drop off or mail your updated registration card to us at 1040 SE Morrison St., Portland, OR 97214 no later than 5:00 p.m. on June 9, 2026.

We are open Monday through Friday from 8:00 a.m. to 5:00 p.m. If you do not return an updated voter registration card with a signature matching the signature on your ballot return envelope by the challenge deadline, your ballot will not be counted and your voter registration will be considered inactive. This means that you will not receive ballots for future elections or be qualified to sign petitions until you submit an updated registration card.

In accordance with Oregon law, a list of voters whose ballots could not be counted will be available to the public upon request beginning fifteen days after Election Day.

If you have any questions, please contact us at 503-988-8683 or elections@multco.us.

Thank you,

A handwritten signature in black ink that reads "Tim Scott".
