My number one priority for running for City Council is to improve the quality of life in our community by keeping Gresham safe, clean, and green.

- Preserve the beauty and the charm of Historic downtown Gresham and protect locally owned businesses from large chain corporations moving into Gresham.
- Promote the American dream of home ownership; rather than, more high density apartment complexes. Gresham's streets and schools are already too crowded, congested and our infrastructure's over burdened.
- Protect Gresham from crime, gangs and keep it safe. Before any other expenditure is made, the fire and police departments should be fully funded.
- Protect and preserve Gresham's remaining green spaces, our parks, nature and bicycle trails.

We live in one of the most beautiful places in America and I want to keep it that way. The last thing I'd want to see is Gresham ending up looking like another of Portland's Industrial parks.

My wish list for Gresham: A dog friendly community park.

If you agree, please for vote me.

Thank you,

John W. Dillow, BA
