**Community Leadership:**

*Remove* { Thunderbird District Committee Member, Troop 586 Committee member, Cub Scout Pack Committee Chair & Den Leader, Girl Scout Leader, Gresham Arthur Academy Board of Directors, Windstorm Park HOA (President), this is only a sample of my most recent volunteer work. 92

**Experienced. Trusted. Caring.**

As a working mother, a registered nurse, a small business owner, and a community volunteer for over 20 years, my local volunteer and local business experiences have given me great insight into the challenges facing our community and provided me with understanding of our communities goals and needs. 52

**We need someone who can make tough decisions and good policies**

I am running for office because I am concerned Fairview is failing to improve because of the budget issues we face as a community. In the last three years, the City Council has spent reserve funds to balance our budget while cutting needed services. ~~The status quo method of cutting services reflects a lack of leadership,~~ as a trusted community leader, I have the skills and insight to make the decisions necessary to ~~reverse our current course and move Fairview forward in the right direction.~~ I am committed to: 100

**Economic Growth**

- By supporting partnerships with organizations like Providence and the USS Ranger.
- By establishing a free enterprise zone. One that would attract new business to the community and allow for growth of existing business.

**Fiscal Responsibility**

- By ensuring that our city is financially fit by supporting new economic activities.
- By being diligent and detailed and reviewing every line item in our budget and asking the hard questions to minimize fee increases ~~in the face of~~ declining revenues

**Livability**

- By keeping special interest groups out of our community. A casino would have a devastating effect on our region, our home values, crime, and the livability of our city. 102

I would be honored and appreciate the opportunity to serve the people of Fairview by being your voice and advocate.

**Supported by:**

Oregon Federation of Nurse & Health Care Professional's

Dan Kreamier, Fairview City Council

Ken Quimby, Fairview City Council

Fairview Business Association

And other local businesses, community leaders and neighbors! 57
