OPTIONAL INFORMATION

As YOUR councilor for 12 years, I have consistently supported the rights of citizens, voters, property and business owners. I have honored our veterans and supported enhanced playground equipment in parks. I was proudly involved in allowing parking on 205th avenue when citizens asked for it and the city code didn't make sense. I am honored to have been instrumental in easing the restrictions on signs for businesses in these tough times.

While Fairview suffered financially during the last 4 years, we fared better than most due to fiscal responsibility during my first 8 years representing you. I'm pleased that during this economy, we still succeeded in getting the 223rd overpass widened; a disc golf course opened and will be improving Salish Ponds Park. Our future requires intelligent revenue enhancement, not reduced services or stifling new taxes. That's why I strongly support the riverfront housing and commercial opportunities for development associated with the USS Ranger.

I have been open and honest about what's right and what's wrong with Fairview. At times that has cost me support from fellow councilors, but I stand for truth and what I believe is right. I take my oath to obey and support the US and Oregon's Constitution very serious. I am not one who sits on the fence to see which way the wind blows or tries to make my own rules.

Fairview can only improve when people with common sense and citizen's rights in mind make decisions. I have consistently done that and will continue. I've asked for no endorsements other than your continued support, by giving me your vote.
