OPTIONAL INFORMATION

As a Director at Large of the West Multnomah Soil and Water Conservation District for the past 4 years, I have had the distinct pleasure and honor of working with a very dedicated and competent Board of Directors and Staff. Collectively what we do, as more comprehensively explained in our website, is conservation planning, grant opportunities, help private land owners identify invasive weeds in order to find options for removing, provide technical and financial resources to develop either a forest stewardship plan or a harvest plan for a sustainable forest, provide outreach and education and more.

During the past four years we have revisited and rewritten a very comprehensive Strategic Plan.

Background:

Currently Treasurer for WMSWCD;

Chair the Personnel Committee for WMSWCD;

Former Board Member for Forest Park Conservancy (Formerly Friends of Forest Park), currently member for the past 16 years and their Treasurer for approximately 7 years;

I currently lead weekly trail maintenance crew for FPC for past 16 years;

Responsible for coordinating the Wildwood Trail Extension from BPA road to its current location, Newberry Road, from 1997-1999;

As Director at Large for WMSWCD, responsible, with volunteers, for construction of Interpretative trail at Sauvie Island Grange and construction of Interpretative trail at Skyline Grange.

There is much more to be accomplished and I look forward to another 4 years.
