OPTIONAL INFORMATION

As a teacher I am dedicated to helping local college students achieve their dreams. I serve on two city committees, where I have advocated for using our city's resources wisely. I helped organize the Troutdale Summerfest this year, which brought our community together and encouraged other people to visit our city.

I hope to continue this work as a member of Troutdale's City Council.

Priorities

Maintain City Services

- Protect important services in our budget
- Give our city employees what they need to do a good job
- Prioritize law enforcement and public safety

Encourage Economic Growth

- Rejoin the West Columbia Gorge Consortium
- Update and enforce city codes to clean up run-down properties
- Work with local partners to recruit businesses to the area
- Promote Troutdale as a local and regional destination.
- Recruit upscale hotels and restaurants that cater to a crucial tourism and business travel niche
- Build a downtown that integrates housing with walking-distance shopping and entertainment

A Sense of Community

- Build a city hall and public space that invites use and community involvement
- Promote an identity for Troutdale that extends past the main street

I would like to be part of a big, bold vision for Troutdale and the surrounding area. We have the opportunity to be a prime destination for travel as well as a vibrant community, but to do this we must not think small and spend our time trying to maintain the status quo.

Growth will require partnership with our neighbors and with developers; it will require investment, effort and creative solutions.
