**Better Business.** Our economy relies on small businesses. By developing stronger partnerships between businesses and government, Troutdale will be more prosperous. I will make certain our attitude towards long-term, family-wage jobs is positive, and make decisions to bring that to reality.

**Your City, Your Voice.** I will open doors for citizens to get involved through volunteer groups, organized committees, community events and town halls. We must work together to move forward together.

**Improving Efficiency.** We need thorough reviews of processes, to be transparent and accountable in our decision making, and expeditious in our responses to the community's needs.

**Stronger Schools.** Our children deserve the best we can give them. I support the School Attendance Matters initiative and will partner with educators and families to encourage success in our classrooms.

**Safer Streets.** Crime and drug prevention should be emphasized by education classes for our citizens, and our police force needs to be well-equipped and well-funded to protect our streets.
