**Candidate Name:** Joshua Singleton

**Occupation:** Facilities Manager

**Occupational Background:** Journeyman Electrician; US Navy (5 years)

**Educational Background:** ITT Technical Institute; AAS Electronics; BAS Automated Manufacturing

**Prior Governmental Experience:** Parkrose Board of Education (appointed 2019)

As a longtime resident, a graduate of Parkrose High School, and a parent of three children who all graduated from PHS; I feel that public education is the Cornerstone of our American society. It enables all people to have a Level playing field and gives everyone an equal opportunity to compete for the American dream.

I wish to serve on the Parkrose school board because I desire to make a difference in our community. Parkrose is more than a school district within the city of Portland; it is a unique community, with an identity unto itself, and the school district sets the tone for the atmosphere of the community.

I will focus on a vision of the future; A future of educational excellence; safety within all of our schools, and continued opportunity for all of our students.

Naturally the purpose of the district and the school board is to educate the children of our community. As a board member I will fulfill this role and keep the quality of services at the forefront of my decisions, but I will also focus on the community aspect of the district and how it effects all of its residents.

Even if you don't have children attending a Parkrose school, you still can gain the benefits of a strong community centered on our youth and schools. The quality of our educational system pays long term dividends that we can all benefit from through a well-educated and free society.
