Dedicated to Equal Educational Opportunities, Special Education Support, and Fiscal Responsibility

As a proud member of the Parkrose community for 16 years and a parent of a Parkrose graduate, I am committed to ensuring that every student in our district receives the quality education they deserve. My experience as a community member and parent has given me a deep understanding of the challenges and opportunities within our schools. My work in operations has given me the ability to understand, stretch, and leverage budgets to meet the needs of the organization and its customers.

Equal Educational Opportunities

I believe that every student in Parkrose should have access to the same educational opportunities as their peers in neighboring districts. I will work tirelessly to bridge any gaps and ensure that our students are well-prepared for their futures.

Special Education Support

Every child deserves the support they need to succeed. I am dedicated to improving access to Special Education services for students who require them. By advocating for better resources and support, I aim to create an inclusive environment where all students can thrive.

Fiscal Responsibility

The recent levy failure and the high tax burden on our community are significant concerns. I am committed to finding sustainable solutions to manage our district's operating budget without compromising the quality of education and without asking for more money from taxpayers. By prioritizing transparency and community involvement, I will work to ensure that our financial decisions reflect the best interests of our students and taxpayers.

Together, we can build a stronger, more equitable future for Parkrose one that ensures that our kids are prepared for their future. I humbly ask for your support and vote for Parkrose School Board Director Position #1.
