### **Message From Leonardo:**

As a current college student and a recent graduate of Portland Community College, I could not be more passionate about giving a voice and a seat at the table to students. Having the privilege to serve the students and community as a Director on the PCC Board would allow our community to bring a voice to the discussion that is often overlooked. The difficulties and hurdles facing students today are greater than they ever have been and it's time we fix this. Together, we can fight to lower the cost of tuition to rid PCC of the obstacles facing students and their families.

PCC has taken an active role in providing affordable education to minority students, and for that, PCC should be commended. I believe we could go further and build off of this example and strive to strengthen scholarship and financial aid opportunities to those who cannot afford to attend PCC.

LGBTQ students have also found a welcoming and safe community on the campus of PCC which has shown leadership and inclusivity in the creation of the Queer Resource Center. The resources provided to students are nothing short of necessary, but I believe

we can do more. We will find a way to invest further, to create more resources for this office to provide to our students.
