Portland deserves an auditor who sees the promise of our people and our city and will use the office to get the best possible outcomes for all of us.

As your accountability champion I have worked to:

- Sustain improvements to 911 call wait times for our community.
- Strengthen oversight of the city's Arts Access Fund and ensure the city follows through on climate commitments.
- Call attention to Portland's roads, parks, and asset maintenance backlogs.

There is much more work to be done. You can count on me to uphold highest professional standards, remain independent, and apply my auditing authority and expertise to ensure fair opportunities and effective use of tax dollars.
