"Kim is a strong advocate working to create a safe city which embraces our youth, especially its most vulnerable youth who suffer so much. She will help us replace the rampant violence with a solid sense of connectedness among all Portlanders.

1) AFFORDABLE HOUSING

Creating affordable housing with rent assistance by partnering with organizations to bridge financial gaps so every Portlander can be proud of where they live.

2) MENTAL HEALTH/SAFETY

Expanding pre-arrest intervention and diversion programs, while partnering with local businesses to empower people affected by the lack of transitional healthcare. I'll continue supporting those affected by addiction, especially due to houselessness and poverty.

3) CLIMATE SOLUTIONS

Employ radical approaches to achieve real progress: offer tax incentives to lower emissions while increasing affordable public transit.

Involve local communities by coordinating with key partners, schools, and corporations to build green-scapes and community gardens. These gardens will absorb carbon and reduce food

insecurity for the houseless while progressing toward long-term solutions to our climate challenges.

4) REVITALIZING LOCAL BUSINESSES/TOURISM/TRAVEL

Work with community leaders to create opportunities to rebuild Portland's small businesses through local support.

Build city-wide investment, including neighborhood associations for a collaborative process via public-private partnerships that work towards increased safety and sanitation for our beautiful city, parks, and rivers.
